

Mr. Eric Herzberg and family.

I'm so sorry about your
loose of your son. I'm
sure you're proud of him for
helping out our country and
putting his life on the line.

Though I do not know him
I'm sure he was a great
person, being a hero to this
country. God be with you,
your family, and him. Like,
Eric, he makes this country
better because they fight
for what is best.

God bless you,

Jenna Lakus.
