

Dear Herzberg family,

Thank you so much for the freedom we all now have. I am very sorry for the loss you have had to endure. During this Memorial Day, I will not forget to pray for you all, and for Eric, for I am most grateful for the sacrifice Eric has given. And I couldn't even imagine the pain that this terrible loss, of a wonderful soldier, has brought to you. I will never forget to pray, as much as possible, for Eric, and all of you - his wonderful family.
