

Dear Herzberg family,

Eric William Herzberg was a hero to are country. He will always be remebered for his sacrifice. He fought for are country so that today I could be here in a classroom and not worry about fighting. He was a hero. I am blessed to have amazing soldiers who are brave and will fight and not give up like Eric did. God bless him.

Thank you so much! He will always be remembered! He is in god's hands now, looking down at you. He will always be there for you guys! Thank you.
