

Dear Herzberg family,

Thank you for raising a wonderful son that cared so much for this country. I am very sorry for your loss, I could not imagine losing someone that close. I haven't had someone to remember for Memorial, but now I do. For the rest of my life I will remember Eric Herzberg Jr. and his story. Your son has inspired me and hundreds of other students to stay positive, fight for what you love, and to be thankful for your family and friend. I wish I could of met your son and his sweet soul and his bright eyes. He will always be in my heart. Your son's sacrifice is well appreciated and although his life was short, it was well lived and not wasted. Again in deep regards, thank you and sorry for your loss.

Sincerely,

Hayden skrabis
