

To Eric Herzberg Jr.

Thank you, thank you for doing so much to protect us and being there for us, you mean so much to people. I will remember what you have done and just remember you as a person. Thank you for serving for our country, I'm so thankful for what you have done. I'm so sorry for your loss, it's really hard to go through that. Having someone like Eric has a huge impact on the world for what he has done. It makes us be able to work, go to school, and just live. We can do so much because of you. Thank you so much for your sacrifice you have been through so much. How I wanna be like you is having such a kind soul and helping others no matter what. What you have been through I can't understand. You are an amazing person and so is your family. Thank you so much for your sacrifice and everything you have done, you mean so much to people.
