

Dear Herzberg Family,

I would like to thank you for what your family has sacrificed. I cannot imagine what you went through when Eric passed away. What he did for this country was brave, and he will be honored for a long time. I would have never been able to do what he did and risked my life for this country. I cannot thank him enough for what he did in this country.

I always complain about mowing the lawn or cleaning my room, but I never realized how bad some people have it. I never realized the price people pay for not only me, but other Americans, to live free in this country. Thank You, again, for all you have sacrificed.

Sincerely,
