

Dear, Herzberg Family

To be honest, this Memorial Day would have just been another day off of school. It used to be a day to cook out and lay around all day but this year I would like to celebrate it differently. I would like to celebrate it differently because of your son. Everything I have learned the past couple days in class have deeply impacted me and my views of Memorial Day. You must be so proud of your son and what he has accomplished. He is still accomplishing things even though he is no longer with us. Every time we discuss him in class, it makes me wish I knew him better. He is my inspiration as well as many others, he provided very honorable services for our country.

Sincerely, Destin Morley
