

**\*Eric W. Herzberg\***

Eric W. Herzberg was a great, brave, amazing man who fought for our country. He fought for our rights and freedom. I know that Mr. Herzberg was very important to you and your family. He was and still is very important to many others also. He showed the bravery in him and the bravery anyone can have. He stood up for our country with bravery, love, confidence, and also the freedom. Losing someone very close is always hard. But knowing that he passed a way for something so brave he will always be thanked from everyone! I know that Mr. Herzberg is rested in peace with many thanks and appreciation and many loved thoughts from people all over the United States and definitely from Mona Shores Middle School. I hope the best for your family! I know that many are so proud of Eric W. Herzberg! He was and always will be a great man to many and also my self! Eric W. Herzberg will always be remembered, and appreciated by me. He had the courage and the bravery for our country. He is and always will be a great, American Soldier, brother, son and person too many! Once again I hope the best for you and your family. I know that you can all be brave and amazing just like Eric Herzberg!

Love,
