Herzberg Family,

I am so sorry for your loss. People think "oh, it's not my son", but what if it was your son? I lost my uncle in Iraq. It's hard, especially when you're really close with that person. He's in the right place. Things may not go your way, but God needed him. Maybe to solve a problem up in heaven. Before I lost my uncle, Memorial Day was just another day. Now Memorial Day is an emotional day for me and my family. I hope that one day, the war will come to an end, but waiting for my cousin, and my friend's dad, is hard. You never know what's going to happen. Hearing someone is gone, it's like a nightmare.

I'm sorry for your loss.
