

Dear Herzberg family,

I am so sorry for your loss. Not only do I look up to Eric as a role model but a bunch of other people do too. I wish that someday I can be just as brave as Eric. The amount of hearts that Eric's story has touched is higher than I can even count. If I had one wish it would be to be Eric's friend. I wish I had the strength and confidence that Eric had to achieve his goals. It's been an honor to learn about Eric's amazing story.
