

Dear Herzberg family,

Herzberg family, I  
thank you so so much for your  
great sacrifice. What your son  
gave to our country is the greatest  
thing in the world. Freedom. Many  
of us don't really know how much  
freedom is. Many of us going to  
D.C. don't really know how much  
it takes to be free. I'm not  
going to say I know because I  
don't and probably never will. So  
again I say thank you for the  
great sacrifice made by you.
